## ACCOUNTING

**M**ichael Ceschini is the managing member of Ceschini CPAs, a certified public accounting and profitability consulting firm with offices located in Miller Place on Long Island and in New York City. The well-rounded professional's areas of specialization include accounting, profitability consulting, fiscal management, financial statement preparation and tax for businesses in a variety of industries. These include construction, real estate, distribution, wholesale, retail and various service industries.

Ceschini also advises clients with respect to strategic business planning, tax minimization strategies, succession planning and mergers and acquisitions. A recognized industry expert who is deeply committed to the betterment of his industry, he is frequently called upon as a lecturer and business advisor for companies and industry trade organizations. Ceschini has also authored professional articles on topics relevant to the industry and has been sought for his expert opinions by various publications, including Long Island Business News, Construction Executive, Construction Dive, Newsday, New York Construction Magazine and the New York Real Estate Journal.

Active in the professional community, Ceschini is a member of various trade organizations, where he networks with other industry professionals and continues to refine his knowledge and skills, gaining a clear understanding of the problems and issues facing his clients. He is a graduate of the State University of New York at New Paltz and holds a Bachelor of Science degree in accounting. In addition to being a certified public accountant, Ceschini has earned the CCIFP (certified construction industry financial professional) designation, which is awarded by the Institute of Certified Construction Industry Financial Professionals, and the CM&AA (certified merger and acquisition advisor) designation, which is conferred by the Alliance of Merger & Acquisition Advisors.

His firm, Ceschini CPAs Tax & Advisory, is a progressive entrepreneurial firm made up of top-quality CPAs and business advisors. Established in 2002, the firm is staffed with high-level professionals who have up to 40 years of experience working in the field. To maintain that high level of expertise and professionalism, Ceschini CPAs requires its staff to advance their certifications and continually stay abreast of clients' current industry challenges, needs and trends.
